DELL COMICS ARE GOOD COMICS

Rinky could scarcely believe his eyes. Coming slowly across the range and heading straight for the ranch house was a brightly-painted truck.

"Look, Daddy! A real live circus wagon coming to the Circle-O Ranch!"

"That's not exactly a circus wagon, Rinky. It's a traveling show. I'll bet the fellow driving the truck is an old-time snake oil salesman."

Rinky frowned and said, "What's that?"

Rinky's father laughed and said, "Oh, just somebody who travels around the country putting on little shows to attract a crowd. After he has enough people watching him, he starts talking about some wonderful new medicine he has that can cure anything from falling hair to falling arches. Usually the medicine is supposed to be snake oil."

The truck stopped in front of the ranch house and a big man with a flowing white beard smiled down at them from the driver's seat. "Greetings, friends, greetings!" he said in a very loud and cheery voice. "I'm Professor Waldo, maker of that wonderful elixir, Professor Waldo's snake oil!"

At that moment, Big Jeff came out of the cook house. He was frowning and holding his head. "What's going on out here? I've got a terrible headache and all this racket isn't helping it any!" said the cook.

Professor Waldo's face glowed with sympathy as he looked at Big Jeff. He hurried to the back of his truck and threw open the two big doors. He reached into a black bag and pulled out a bottle of green medicine.

"My good friend," said the professor as he tapped the bottle with a long pointed finger, "my misfortune is your good luck! You see, I lost my way and that is how I come to be here. Now if you'll just tell me what ails you I'll tell you if my snake oil can help you."

Big Jeff said, "Well, Professor, it's like this. Three weeks ago I went to town for four days. While I was there, I had a wonderful time. Bought a lot of new clothes and everything. I felt great. But when I got back to the Circle-O Ranch I started getting these awful headaches. My head aches all day. I get dizzy and feel like I can't breathe.

"Only time they go away is when I go to bed. 'Course I'm asleep then and I guess I still have the pains only I can't feel them, being asleep, that is! Can you cure me, Professor?"

"All you have to do is buy a bottle of Professor Waldo's snake oil and rub it on your neck three times a day. The price is only two dollars a bottle, three bottles for five dollars."

"Give me three bottles, quick!" said Big Jeff, as he pulled some money out of his back pocket.

Big Jeff took the three bottles from the professor and hurried toward the cook house. "I'm going to try it right away, Professor!"

The professor frowned and then said, "Yes. By all means, try it right away." Then he hopped into his truck and drove away.

Rinky said, "Professor Waldo seemed to be in a hurry, Daddy!"

"He certainly did, Rinky. I guess he doesn't want to be around when Big Jeff finds out Professor Waldo's snake oil is a fake oil!" Rinky's father said laughingly.

Rinky's father had hardly stopped laughing when Big Jeff came running out of the cook house. "It worked! Professor Waldo's snake oil cured me! My headache's gone! I feel wonderful!" shouted Big Jeff.

Big Jeff bent over to show Rinky's father where he had put the snake oil. Rinky's father said, "You're getting one of your new shirts oily, Big Jeff!"

" I don't care about the new shirts I bought in town. My headache's gone! That's all I care about. The professor's snake oil cured me!"

Rinky's father stared at the shirt size on Big Jeff's collar. Then he shook with laughter. "What size shirt collar do you wear, Big Jeff?"

"Size seventeen. Why?" said the puzzled ranch cook.

Rinky joined his father in laughter as he said, "Well, that shirt you're wearing is a size fourteen collar and I'll bet all the new shirts you bought in town are the same size, too! No wonder you've been having terrible headaches!"
